07 · PACKLANE CONTACT · NEXT STEPS

- 1

Email prepress@packlane.com with the chosen sizes (6×4×3 and 7×5×3) and request the official dielines.
- 2

Place the SVG artwork in this package onto each dieline in Adobe Illustrator. Verify cut-line and fold-line alignment manually.
- 3

Outline all type, embed images, flatten transparencies, export to PDF (CMYK).
- 4

Upload finished outside + inside PDFs through Packlane's online ordering tool. Order one sample carton of each size first.
- 5

Approve sample, then place 300-unit order per SKU (600 cartons total) at the verified 3.40 — 3.80/unit band.
